TURKEY .- Turkey is about to take formal possession of the Delta and Danube. Austria has officially notified the Porte that the

evacuation of the principalities will be completed on the 24th of March. INDIA.—The mails from India had arrived at Suez.

There is nothing important from the Persian Gulf. CHINA .- Letters from China to the 16th of December are published in the Paris Moniteur, which state was not so great as at first stated. Of the thirteen European quarters at Chysan hong five were destroyed, and of the eighty foreign factories at Canton twenty-one were burnt.

As soon as the English ships commenced firing the floating population of vagabonds at Canton rushed into Chysan-hong, pillaged and then fired the European stores. The incendiaries were soon dis persed by the shells from the English ships, when the French seamen extinguished the fires. The Chinese town suffered terribly as well by the fire from the English ships as by the native robbers. We refer to our table for atore rates. In the rough article we can learn of no transactions;—no buyers in market, and it by J. H. Flanner; with naval stores, &c. we omit quotations.

HAY-The stock in dealers hands is small, and the market rules firm, with a fair demand. A lot of 152 bales Northern make received on Tuesday, and taken by a dealer at \$1 25 per 100 lbs. Noreceipts of Eastern, and quotations are nominal. See table.

Lime—No late receipts and the stock on market is rather

light. One or two cargoes would find sale at quotations. See table. LUMBER-River-Arrives sparingly, and the market is at present decidedly dull. We note sales on Saturday of two raits at \$4 25 per M. for scantling. We quote nominally at \$7 a \$7 50 for wide and \$10 for flooring boards.

Molasses-No change to make. The supply of Cuba in

first hands is moderate, and we note sales from wharf at 46 a 47 cents per gallon, in quantities as wanted.

PEA NUTS-Nearly or quite all of the crop having been brought to market the receipts for the past week have been confined to scattering lots. There is little or no demand, and the market is dull at quotations. See table. POTATOES-For Irish there has been a fair demand during the past week, and the stock is nearly or quite all worked off. We learn, however, that a good many are now daily

expected, which will replenish the market. See table for

store rates. Sweet are brought in sparingly and rule high; bring 80 a 90 cents per bushel Provisions-For N. C. cured Bacon the market during the past week has ruled unusually dull. We note about 1,850 cacks Liverpool ground received coastwise since our last, and disposed of as follows: 150 sacks at 725 cents, 90 days; 1,20 do at 70 cents do. do.; and 500 do. at 70 cents per s ck, cash. No receipts or sales of Alum See tab e for rates. STAVES-The receipts of this article have been meagre for some time pas , and there appears to be rather more en-

demand from consumers. We quote sales from store at

\$22 50 a \$23 per bbi., as in quality. Fresh is without change in price, and continues to be brought in sparingly; - sales at

quiry for them. We notice sales of several small arcels o i. U. Hhu., at \$10 a \$15 for undressed, and \$17 50 u \$20 pe 1 M. tor dressed, according to quality. No sales to report in W. O. Bbl., but we learn that \$30 a \$35 per M., could be obtained. Make s, however, should bear in mind that to obtain the highest figures, it must be a good merchanta-SHINGLES-There seems to be no enquiry for either Com-mon or Contract, and the market is dull at quotations.

TIMBER-No material alteration to notice in this article since last review. There is but a limited enquiry for milling purposes, and we note small receipts. We refer to our table for figures, at which sales have been effected. FREIGHTS-Vessels continue to arrive very slowly, and the market rules firm. There is a good deal of produce on market for shipment, but it is generally held off for lower rates. No vessels are offering for Boston or Philadelphia, and rates are merely nominal, though higher prices could be obtained. To New York rates are quite firm and several vessels have been taken up at quotations. See table.
